JUDGMENT

Complaint of the petitioner is that though she has been appointed in a regular vacancy in the year 2002-2003 and she is continuing without any break, on account of management dispute a decision is not being taken to approve her appointment. It is the contention of the petitioner that pendency of the management dispute is not a ground to deny approval. It is submitted that the matter is pending before the second respondent.

2. Heard learned Government Pleader also. The writ petition is disposed of directing the second respondent to take a decision regarding the question of approval of appointment of the petitioner in accordance with law, after hearing the petitioner and respondents 3 to 6, and other affected parties within a period of six weeks from the date of receipt of a copy of this judgment.
